

RAISED GARDEN BED SET (115,5 x 95,5 cm)

Raw materials: 100% recycled plastic, HDPE (PE-HD), which is not classified as a hazardous substance and does not contain any hazardous substances.

- *Easy and quick to install*
- *Durable and long-lasting – years of reliable use*
- *UV resistant*
- *Non-toxic and environmentally friendly*

Areas of application: raised garden bed sets are versatile solutions for various gardening applications. Perfect for private backyards, greenhouses, and community or botanical gardens, they optimize space and growing conditions. In schools and learning centers, they serve as practical tools for teaching gardening skills. Their elevated design reduces bending, making gardening accessible for individuals with mobility challenges while improving soil drainage and temperature regulation for healthier plants and extended growing seasons.
